**IN THE UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF WEST VIRGINIA**

TIMOTHY WISE,

Plaintiff,

v.

Civil Action No. 1:20-cv-00056

C. MARUKA, et al.,

Defendants.

DECLARATION OF ROBERT MALONE

In accordance with the provisions of Section 1746 of Title 28, United States Code, I, Robert Malone, do hereby make the following declaration:

1. I am a Correctional Counselor at the Federal Correctional Institution ("FCI") McDowell, West Virginia.
2. As a Correctional Counselor, I have access to BOP records including the BOP's SENTRY system in which inmates' administrative remedy filing history is maintained as well as the BOP's database of inmates' disciplinary histories and cell assignment histories.
3. The BOP has established an administrative remedy procedure through which an inmate may seek a formal review of an issue or complaint relating to his confinement.
4. If an inmate is unable to resolve his complaint informally, he may file a formal written complaint with the institution on the proper form within 20 calendar days of the date of the occurrence on which the complaint is based.
5. If an inmate is not satisfied with the institutional Warden's response, he may appeal, using the appropriate form, to the Regional Director within 20 calendar days of the Warden's response.
6. If the inmate is still not satisfied, he may appeal the Regional Director's response to the Office of General Counsel, located in the BOP's Central Office in Washington, D.C., using the appropriate forms. The inmate must file this final appeal within 30 calendar days of the date the Regional Director signed the response.

7. Appeal to the General Counsel is the final administrative appeal.
8. As a practical matter, an inmate wishing to file an administrative remedy must obtain the appropriate form from his or her Correctional Counselor. Once the inmate has filled out the form, he returns the completed form to the Correctional Counselor. The Correctional Counselor then delivers the form to the institution's Administrative Remedy Clerk, who in turn is responsible for all clerical processing of the administrative remedies.
9. For inmates housed in the Special Housing Unit ("SHU"), Unit Team members, including Correctional Counselors, regularly conduct rounds in SHU to address the needs of inmates on their caseload who are housed in SHU. If an inmate requests an administrative remedy form from their Correctional Counselor during the SHU rounds, the Correctional Counselor provides them with the appropriate form and will return to collect the form when the inmate has completed it.
10. An inmate's Administrative Remedy filing history is available for review through SENTRY as an Administrative Remedy Generalized Retrieval Form.
11. When reviewing Administrative Remedy Generalized Retrieval Forms, Administrative remedy numbers identify at what level the remedy was filed and the number of times the remedy was filed at that level.
12. A remedy filed at the institution level is identified by an F, at the Regional Office level an R, and at the Central Office level an A. An initial remedy filed at the institution level is assigned an F1. If the administrative remedy is rejected and re-filed at the institutional level, the re-filed remedy is identified as F2. The same system is used for all three levels.
13. If a remedy is rejected, it is entered into the SENTRY system along with a code noting the reason for the rejection. It is then returned in its entirety to the inmate. Ordinarily, materials from the rejected submission are not copied or retained.
14. Timothy Wise ("Plaintiff"), Register Number 03540-063, is a federal inmate presently confined at FCI McDowell.
15. Since Plaintiff has been incarcerated at FCI McDowell, he has been assigned to my caseload.
16. I have reviewed Plaintiff's administrative remedy history.
17. During the time Plaintiff has been designated to FCI McDowell, he has filed or attempted to file only one administrative remedy.

18. Plaintiff filed Remedy ID No. 980859-A1 at the Central Office level on August 8, 2019, in which Plaintiff challenged the findings in a Discipline Hearing Officer ("DHO") hearing related to an incident report he received at FCI Talledega. This remedy was closed and a response provided on September 30, 2019.
19. Plaintiff filed no other administrative remedies while incarcerated at FCI McDowell.
20. Plaintiff failed to exhaust administrative remedies in relation to any of the allegations in his Complaint.
21. As a Correctional Counselor, I performed regular rounds in SHU, and there was not a time that Plaintiff requested administrative remedy forms that I did not provide them to him as requested.
22. Aside from the administrative remedy program, Correctional Counselors are also tasked with processing inmates' visitor requests.
23. Inmates wishing to have a visitor added to their approved visitation list must work with the visitor to complete forms for submission to the inmate's Correctional Counselor.
24. The Correctional Counselor will review the request and conduct an investigation into the requested visitor to ensure the individual does not have certain characteristics in their background such as a recent criminal conviction or a history of attempting to introduce contraband into a prison
25. There is no time limit by policy or by statute on how long this investigation can take.
26. Plaintiff submitted a request for an individual he identified as his fiancée to be added to his visitation list. That individual was approved and placed on his approved visitor list on January 14, 2020.
27. Attached are true and accurate copies of the following documents:

Attachment A:	Inmate History Adm-Rel
Attachment B:	Inmate History-Correctional Counselor
Attachment C:	Administrative Remedy Generalized Retrieval

I declare under penalty of perjury that the foregoing is true and correct to the best of my

Executed this 8th day of April, 2020.

A handwritten signature in black ink, appearing to read "R. B. Malone", is written over a horizontal line.
